

# VICTORIAN VIRTUAL EMERGENCY DEPARTMENT

The Victorian Virtual Emergency Department allows you to access care for non life-threatening emergencies, 24 hours a day, 7 days a week. You will be connected to our emergency doctors and nurses via a video call, and receive medical advice from the comfort of your home.

## How do I register?

- You will need a phone, tablet or computer with a camera to use this service.
- To register, please use your phone camera and scan the QR code. You can also visit [vved.org.au](http://vved.org.au)

## What happens after I register?

- You will be linked directly to the virtual Emergency Department waiting room and placed in the virtual triage queue.
- You will receive an email with the next steps.
- When it's your turn, the nurse will consult with you and advise the best course of action.

## What kind of medical help can I get?

- In many cases, we will be able to help you virtually, and organise tests and prescriptions close to your home.
- We can provide self-care advice and a GP follow up.
- We may ask you to come into the Emergency Department.

## Are interpreting services available to me?

- Interpreters are available, and you can request one during the registration process.
- You can also complete the registration form in your preferred language.

For more information, please visit [vved.org.au](http://vved.org.au)

Please use this service for non life-threatening emergency conditions only. Some examples of life-threatening symptoms include: shortness of breath, severe chest pain, or weakness down one side of the body. If you think you may have a life-threatening condition, please contact **Triple Zero (000)** urgently.
